The interpretations, corrections, or changes in this addendum supersede the requirements in the Bid Documents dated December 2017 and stamped and sealed by the Engineer of Record on December 5th 2017. The Successful Bidder shall be issued a revised set of Contract Documents.

Bidders shall acknowledge receipt of this addendum in the Louisiana Public Work Bid Form.

I. Corrections/Clarifications to Addendum No. 1:

Addendum 1 states that the Bid Opening Date has been changed from Wednesday, February 15th 2018 to Tuesday, March 6th 2018. The Bid Opening Date was never Wednesday, February 15th 2018; that was the mandatory Pre-Bid Meeting date. This date was an error.

The original bid date as seen in the specifications was Wednesday, February 28th 2018. Addendum No. 1 was meant to change this date to Tuesday, March 6th 2018 at 2:00 PM.

To reiterate, sealed bids will be received until 2:00 PM Tuesday, March 6th 2018.
