FOR
LOST LAKE MCA 3
VEGETATIVE PLANTINGS PROJECT
(TE-0072)
TERREBONNE PARISH, LOUISIANA**

**STATE OF LOUISIANA
COASTAL PROTECTION AND RESTORATION AUTHORITY**

JULY 7, 2020

ADDENDUM NO. 1
Lost Lake MCA 3
Vegetative Plantings Project (TE-0072)

This addendum shall be considered part of the Plans, Specifications, and Contract Documents (except as noted otherwise) and is issued to change, amplify, or delete from or otherwise explain these documents where provisions of this addendum differ from those of the original documents. This addendum shall have precedence over the original documents and shall govern.

Bidders shall acknowledge receipt of this addendum on the Louisiana Uniform Public Work Bid Form.

I. Responses to Questions Submitted by Contractors:

Contractor Question/Comment (1): Are the plants for this project provided? If yes, from where?

CPRA Response (1): Please refer to **SP-2 WORK TO BE DONE** of the specifications which states:

The Contractor shall provide all plants, equipment, labor and materials to perform the Work required for the planting of native coastal plants on the newly created marsh at the Project Site to establish emergent vegetation. The Work shall include, but not be limited to, mobilization, demobilization, and any other related work in the Work Area.

The Contractor shall supply, transport, store, and plant approximately 1,500 vegetative plugs of Smooth Cordgrass (*Spartina alterniflora* ‘Vermilion’), and 1,600 gallon containers of California Bulrush (*Schoenoplectus californicus* ‘Bayou Lafourche Germaplasm’) plants within the designated area of MCA 3 as specified. Date and time for delivery and planting shall be coordinated with the Engineer.

All planting containers, debris, trash or other incidentals used by the Contractor shall be removed from the Project Site and properly disposed of prior to Final Acceptance and demobilization.

II. Revisions to Specifications:
